

Queen Elizabeth II Jubilee Hospital
Surgical Services Ward 2B
General Surgery, Gynaecology, Bariatric
and Breast

Graduate Nurse Program

Hospital Overview

Queen Elizabeth II Jubilee Hospital (QEII) is a medium metropolitan adult facility with 181 inpatient beds. We provide a range of specialties including general medicine, surgical, cardiology, geriatric medicine, intensive and coronary care.

QEII is a *Pathway to Excellence*[®] organisation, which is a credential by the ANCC for hospitals that have created positive work environments where nurses can flourish. Pathway to Excellence Recognition ultimately acknowledges QEII nurses' delivery of high-quality care, support for personal and professional development, the supportive team environment and the commitment and passion to safe person-centred care.

QEII became a Digital Hospital in June 2018.

Unit information

Ward 2B is a 30-bed surgical unit specialising in the care and management of acute General Surgical, Gynaecology, Colorectal, Breast and Bariatric patients.

In Ward 2B we provide a high standard of patient focused care through assessment, planning, early intervention, and evaluation of surgical needs to support patients achieving optimal health outcomes.

We work within a large Interdisciplinary team including Medical Officers, Allied Health and Executive Nursing team to achieve best patient outcomes.

Our Staff

Ward 2B has a large team of nursing staff including a Nurse Unit Manager (NUM), Clinical Nurses (CN), Registered Nurses (RN), Enrolled Nurse Advanced Skills (ENAS) and Assistant in Nursing (AIN).

The surgical education team provide support to surgical graduates throughout the graduate program. The surgical education team consists of a Surgical Nurse Educator and two Surgical Clinical Facilitators that support across Surgical Services – Ward 2A, Ward 2B, Urodynamics and Specialist Outpatients department.
