

## Did you know?

You are able to access COVID-19 testing if you have any of the following symptoms, no matter how mild:

**Fever / history of fever** (a temperature higher than 37.5 degrees)

**Runny nose**

**Cough**

**Sore throat**

**Shortness of breath**

**Fatigue**

**Loss of smell and/or taste**

## Testing options:

1. **An assessment by most GPs** (call ahead to arrange a phone consultation) who can then send you a COVID-19 test request which you can print out and take to a local private pathology COVID-19 test centre (QML, Sullivan Nicolaides, Pathology Medlab). Check their websites for details.
2. **Your nearest respiratory clinic:**

**Brisbane South PHN Respiratory Clinics**

  - › Shop 6, cnr Beenleigh Redland Bay Rd and Logandale Blvd, Shailer Park
  - › 5 Charles Ave, Woodridge (Aboriginal and Torres Strait Islander only)
  - › 189 Vienna Rd, Alexandra Hills
  - › PACE Building, Level 3, 20 Cornwall St, Annerley

Please note: you can book appointments online
3. **Temporary fever and QML clinics:**
  - › Rocklea Showgrounds, cnr Peg and Goburra St, Rocklea
4. **Other Queensland Health fever clinics:**
  - › Queensland Children's Hospital
  - › Mater Hospital
  - › Logan Hospital
  - › QEII Hospital
  - › Redland Hospital
