

Staff Bicycle Parking Facility

Please

- ensure your bicycle is locked securely using your own lock and the wheel is placed correctly in the rack
- do not leave any personal belongings in the facility or they may be disposed of without notice
- take your locks home if you are going on leave for more than 3 days or they may be disposed of without notice
- respect other people's property
- enter and exit the facility safely
- report any spills or hazards in the area
- take care when parking your bicycle
- note that leaving your lock in the parking facility does not guarantee your spot the following day
- note that this facility is for bicycles that fit within the parking spaces provided only
- be sure to remove all belongings when notified to allow for cleaning and removal of abandoned belongings/locks
- enjoy the facility and be safe travelling to and from PAH!

***PAH does not accept any responsibility for loss or damage to items in this area
PAH reserves the right to remove any abandoned, unsecured, broken or
dangerous items at any time***

CCTV is in operation 24/7
