

2018 Metro South Health Research Support Scheme Grants

Tuesday 28 November 2017
Translational Research Institute Auditorium

PA Research Foundation Grants

Postgraduate Scholarship **Mr Burhan Khan**, Uni QLD Diamantina Institute / Immunology Group / TRI
The host-pathogen interaction of bacteria-colonized skin lesions in the development of invasive skin cancer

TRADIM Grants

Trauma and Disaster Management Small Grant **Mr Marc Nickels**, Physiotherapy Department, Princess Alexandra Hospital
Pulmonary Complications Following Blunt Chest Trauma

Trauma and Disaster Management Small Grant **Professor Marion Mitchell**, Nursing Practice Development Unit - Princess Alexandra Hospital
Clinical HandOver of Trauma patients from ICU to the ward at the PAH - the HOT Project

SERTA Grants

Postgraduate Scholarship **Mrs Andrea Rapolthy Beck**, Occupational Therapy Department, Logan Hospital
The effectiveness of early purposeful occupation-based retraining in a medical / surgical intensive- care unit: study protocol for a single-site randomised controlled feasibility trial

Postgraduate Scholarship **Mr Gordon Kay**, Psychosis Department, Metro South Addiction and Mental Health Services
Improving Access to Psychological Therapies for Psychosis: Acceptability and feasibility of integrating Cognitive Behavioural Therapy for Psychosis with peer-led Hearing Voices Networks in a government community based Mental Health Service

Postgraduate Scholarship **Dr Phoebe Thwaites**, Hepatology and Gastroenterology Department, Princess Alexandra Hospital
Gut microbiome and cardiorespiratory fitness as predictors of complications in advanced liver disease.

Clinical Research Fellowship **Dr Benjamin Sly**, Diabetes and Endocrinology Department, Princess Alexandra Hospital
Improving the care of patients with diabetes in the digital hospital environment. From patient level to Systems approach

Clinical Research Fellowship **Dr Aaditya Narendra**, Gastroenterology Department, Princess Alexandra Hospital
Assessment of the Impact of Centralization of Major Upper Gastro-intestinal Surgery in Queensland

Postdoc Early Career - Nursing/Allied Health **Dr Elizabeth Burmeister**, Nursing Practice Development Unit, Princess Alexandra Hospital
QUality of InPatient care Score (QUIPS)

Small Grants **Dr Ross Francis**, Nephrology Department, Princess Alexandra Hospital
Development of a Histological Grading Schema for predicting progression to chronic kidney disease in Nephrectomy patients

Small Grants **Professor Mark Smithers**, Surgery Department, Princess Alexandra Hospital
Topical Imiquimod or Diphenylcyclopropenone for the Management of Cutaneous In-transit Melanoma Metastases – A Phase II, Single Centre, Randomised, Pilot Study

Small Grants **Associate Professor Scott Campbell**, Nephrology Department, Princess Alexandra Hospital
Feasibility and safety of topical Sirolimus in the prevention of skin cancer in solid organ transplant recipients
