

## Addendum 15 July 2019

### An update was made to the 2020 MSH Research Support Scheme Funding Guidelines:

Wording was included at Section 5.2 and Section 12 to add clarity to CI (Co-investigator) eligibility criteria for PA Research Foundation funded grants.

*5.2.3 Project teams from all disciplines, services and facilities at the PA Hospital Campus are eligible but must include representatives across clinical and allied health and a new researcher (less than 5 years) and basic science (where relevant).*

*12.3 Co-investigators (CI's) from all disciplines, services and facilities at the PA Hospital Campus are eligible.*
