

## Did you know?

You are able to access COVID-19 testing if you have any of the following symptoms, no matter how mild:

**Fever/history of fever**  
*(a temperature over 37.5 degrees)*

**Runny nose**

**Cough**

**Sore throat**

**Shortness of breath**

**Fatigue**

**Loss of smell and/or taste**

**Diarrhoea**

**Vomiting or nausea**

## Testing options:

- An assessment by most GPs** (*call ahead to arrange a phone consultation*) who can then send you a COVID-19 test request which you can print out and take to a local private pathology COVID-19 test centre (QML, Sullivan Nicolaides, Pathology Medlab). Check their websites for details.
