

ARE YOU

UNDERTAKING RESEARCH?

Make sure you read the *Australian Code for the Responsible Conduct of Research* and know how it applies to you

Scan me

Fairness in the treatment of others

Respect for research participants, the wider community, animals and the environment

Rigour in the development, undertaking and reporting of research

Recognition of the right of Aboriginal and Torres Strait Islander peoples to be engaged in research that affects or is of particular significance to them

Accountability for the development, undertaking and reporting of research

Transparency in declaring interests and reporting research methodology, data and findings

Have you seen conduct that you think breaches The Code?

Please see our **Metro South Health Research Integrity Procedure PR2018/176**

Honesty in the development, undertaking and reporting of research

Promotion of responsible research practices
